

“Snow Breeze” Ritual - 2h

3 step body Detoxification:

EXFOLIATION – BODY WRAP - MASSAGE

Like a purifying breath of fresh air, the body can breathe deeply again, and you will experience a joyful feeling of well-being. This ritual reduces signs of fatigue and will leave you feeling light and airy.

This ritual begins with a detoxifying herbal tea.

EXFOLIATING FLAKES

1

Using snowy flakes made from high altitude plants, this delicate exfoliation with cotton will purify your skin and transport you for a moment of pure relaxation.

DETOXIFYING GEL WRAP

2

Your entire body is wrapped in a purifying, powerfully refreshing gel that protects skin and frees it from all toxins, revitalising it and leaving it unbelievably soft.

EXHILARATING MASSAGE

3

Let yourself go under the subtle, light strokes, first from the masseuse's expert hands, kneading and stretching, then the toning effleurages of the "feather brushes".

FRESH DETOXIFYING GEL (Applied at the end of the Ritual)

Now that your skin is moisturised*, purified of all toxins and protected against pollution, this cooling gel provides new vitality and lightness.

“Breath of Pure Air” Ritual - 1h

4 step facial Detoxification:

PREPARATION - STEAM - MASSAGE - MASK

Experiencing Pure sensations of deep detoxification, the skin can really breathe again and stays protected from external pollution. This ritual is the perfect remedy for jet-lag and will leave your skin looking radiant.

This ritual begins with a detoxifying herbal tea.

PURE LIGHT PREPARATORY RITUAL

1

These first four elements of the ritual – make-up removal, cleansing, exfoliation and an energising spray – purify skin completely. The energising acupressure technique completes the preparation by rebalancing the skin's vital functions using pressure points on the face, leaving it radiant and preparing it for the rest of the ritual.

AROMATIC STEAM BATH

2

A light mist envelops your face, bringing purifying active ingredients to the skin.

EXHILARATING MASSAGE

3

Let your senses carry you away to ultimate relaxation, transported by essential oils.

DETOXIFYING GEL MASK

4

Pleasant waves of soothing warmth and refreshing cool: an icy mask and delicately warming flakes deeply purify your face.

PROTECTING, DETOXIFYING, LIGHT-AS-AIR CREAM

(Applied at the end of the Ritual)

Like a wonderful breath of pure air against your skin, Protecting, Detoxifying, Light-as-air Cream draws its purifying properties from high-mountain plants.
